

Foreign Exchanges this afternoon the rates were again without variation of importance. There were no bullion operations at the Bank today.

The American gold by the Arabia, £91,000, has been taken for the Continent. A further sum of 10,000 sovereigns was sent today to Lisbon.

The gold lately dispatched on account of the Turkish loan was £400,000. A fresh shipment of £150,000 will be made in the course of the week, which will complete the total at present contemplated.

The telegrams from Calcutta today show no variation either in the rate of exchange or the prices of Government securities. From China the accounts indicate that the quotation of exchange at Shanghai has also without movement. At Canton, however, there had been an adverse turn of 3 or 4 per cent, the final quotation being 1/5 to 1/5 1/2, which would tend to render a little more active.

The same paper notes sales on the 26th of Illinois Central shares at 2 1/2 discount, and Michigan Central Stocking at 8 1/2. It notices and quotes American securities as follows:

The Philadelphia Ledger says of the money market: "In the money market there is not much animation, though the large amount that has found its way into the hands of capitalists is being held in a very safe manner."

TRADE AT MANCHESTER, Tuesday, Oct. 26.—It has been a fair day, with a light breeze from the west, and a promise of a larger supply of cotton than had been expected, are likely to occasion some decline of price in Liverpool. The market is quiet, and the price of cotton is steady. The price of wool is also steady, and the price of sugar is also steady.
